

Load Information Request Form
UGI Utilities Inc., Electric Division, One UGI Center, Wilkes-Barre, PA 18711-0600
Customer Information

Customer: _____
 Contact name: _____ Phone: (____) _____ Cell phone: (____) _____
 Service address: _____ Zip code: _____
 Mail address: _____ Zip code: _____
 Nearest grid number or existing meter number: _____ - _____ Mtr. #: _____, W/R #: _____

Connected Load

Indoor lighting: _____ kW Outdoor lighting: _____ kW
 Single phase motors: _____ hp Three phase motors: _____ hp
 Process heating: _____ kW Refrigeration (coolers & freezers): _____ kW
 Space heating: _____ kW Air conditioning: _____ tns
 Welders: _____ kW Elevators: _____ hp
 Cooking: _____ kW Water heating: _____ kW
 Miscellaneous single phase load: _____ kW Miscellaneous three phase load: _____ kW

Largest motor: _____ hp UGI may specify type of starting. NEMA code letter or number: _____
 Type of starting scheme: Across the line: _____, Reduced voltage: _____, Wye/Delta: _____, VFD: _____, Other: _____
 Description of equipment the motor drives: _____
 Total number of motors: _____ Do the motors operate simultaneously? Yes: _____ No: _____
 Motor(s) specified here should have also been listed above in connected load section!
 Type of space heating: Electric: _____ Gas: _____ Oil: _____ Other: _____ Specify: _____
 Type of air conditioning: Roof top unit: _____, No. of units: _____ Packaged terminal a/c: _____, No. of units: _____
 Ductless split system: _____, No. of units: _____ Window unit: _____, No. of units: _____ Heat pump: _____, No. of units: _____
 Other type of cooling: _____, Specify: _____ None: _____
 Condenser cooling: Water: _____, Cooling tower: _____, Air cooled _____

Type of Business

This is a(n): _____
 Square foot of building: _____ Number of customers in building: _____
 Additional load to be added in the future: _____ hp/kW Description: _____
 Projected date of addition load: _____ Date service is expected: _____

Contractors/Architect/Engineer

Electrical contractor: _____ Phone: (____) _____
